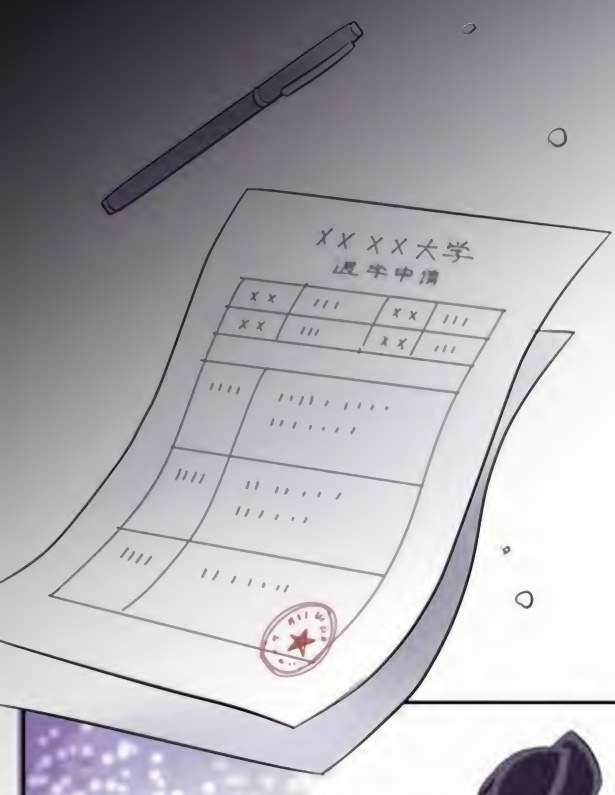
That time, was the first time I realized that rock and roll could move someone's heart.

The fact that..
A girl could actually be that cool.
…这样事

But after that night, she disappeared from campus.

Her family came and handled her withdrawal procedures.



After that, no one knew where she went...

Although it's a shame I've never spoken to her

And only knew that her name was Hao Yue

But three years have passed by quickly, and I've completed my undergraduate courses.

And I've been successfully admitted as a postgraduate, at a university in Shanghai.

However, i would've never have imagined that...

This is bad! I woke up late.
The girl introduced by teacher to co-rent the apartment must've been waiting for quite long downstairs.

The girl there with the suitcase.

SORRY, I'M LATE.
Taking a closer look, she's really tall.

YOU'RE RU YUN YUN, RIGHT?
I'M HAO YUE, NICE TO MEET YOU.

EEEHH...?

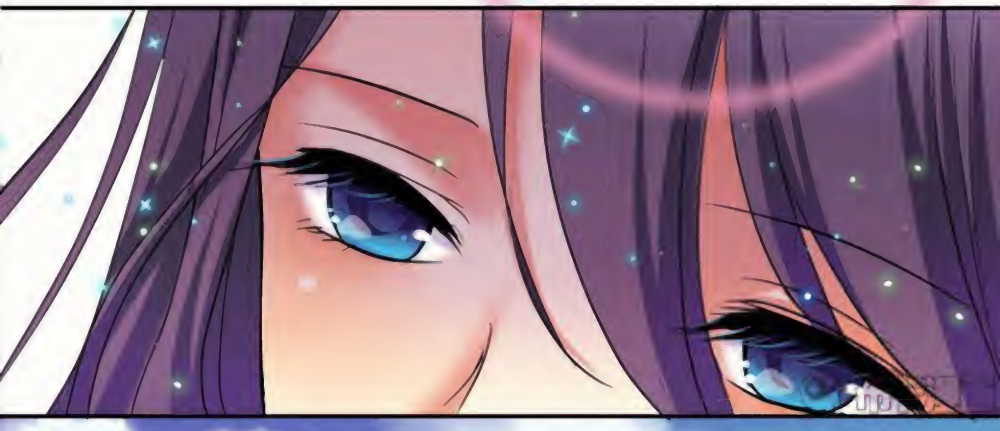
I'll take you there right away!

Nervous

Woah! The sudden close distance gave me a shock.

But when I look closer, her eyelashes are really long, her skin's fair and smooth, she's really beautiful!



THIS IS IT, COME ON IN!

I JUST MOVED IN NOT LONG AGO, SO I ONLY DID SOME SIMPLE HOUSEKEEPING.

How is it? The house's not bad, right? Although it's small, but it has everything you need and the lighting is good too.

It took me quite long to find it.

And the rent, it's suitable for the two of us to co-rent.

.....

WHAT'S WRONG? YOU DON'T LIKE THE APARTMENT?

NO. IT'S JUST THAT I'VE SUDDENLY THOUGHT OF SOMETHING ELSE.

It's good here.

Smiles

THEN, PLEASE TREAT ME KINDLY, YUN YUN~
